

Facilities

Bowling Alley

The title of this room is exactly what it used to be. The year was 1974. Gutters were being occupied, pins were dropping and strikes and spares were occurring. A bowling pin from that time is currently sitting proudly at the bar of what is now an entertaining but relaxed dining area. Business casual socialites are welcome to dine as we bring the entertainment to you.

John Allen Taylor Lounge

This lounge is named after John Allen Taylor who was a President of the club in 1953. What is now a casual dining area was formally a squash court. With flat screen TV you are able to enjoy every type of sporting event and enjoy a cold one before heading to the Budweiser Gardens for a hockey or basketball game.

Formal Dining Room

Located at the front of the club, you are able to dine at the bay window or next to a comfortable fire place. This dining area can be used for special occasions such as anniversaries, birthdays or a get together with family and friends.

Wine Cellar

The London Club easily boasts the largest selection of labels in the Forest City. Over 235 wines are available and offers lower prices than any restaurant and we are fortunate to be able to pass these saving on to our valued members.

Business Centre

With wireless internet and a private phone line you are able to conduct any type of business you need. This room is great for small meetings or a quiet work space and we will give the resources you need upon request.
